Council now adjourned at 12:05 A.M.

REEVE

CLERK

STREETSVILLE, Ontario,
January 16th, 1958.

A Joint Meeting of the Public School Board and the Municipal Council was held this date in the Council Chambers with the following present:

Reeve: F. Dowling
Deputy Reeve: J.M. Adamson
Councillors: W.C. Arch
G. Parker
F. Smith

Public School Board Members : H. Heathcock
Wm. Anderson
Lowell Clark
Mrs. Isabel Nixon
Public School Board Secretary: C.S. Patterson

The urgent need for a new school to be located in Riverview Heights was the subject of discussion. After reviewing the number of houses now under construction and those to be built during the year, it was decided that four new classrooms was the minimum which would be required by September 1st, with the possibility that six classrooms might be required. It was pointed out to the Public School Board that Block "B" in Riverview Heights had been dedicated to the Village for "public purposes." However, as the Village were looking for new quarters for their Municipal building, the property in Riverview Heights could be exchanged for the Old High School property which the Village wanted for a Municipal Building. It was also pointed out to the School Board that, if these properties were exchanged, ample time would be given the School Board to vacate the Old High School as it was not the intention of Council to leave the School Board with insufficient classroom space. The Public School Board were to investigate whether it was more economical to keep the Old High School open or to close this school and build additional rooms to the new school in Riverview Heights. The Board advised they would be meeting on Monday evening and would advise Council as soon as possible after their meeting, the size of school which would be required in Riverview Heights and also if their Board were in favour of exchanging properties.

The Joint Meeting adjourned at 10:00 P.M. and immediately thereafter, the Council was called to order.

It was now
Moved by W. Arch Seconded by F. Smith
THAT in consideration of the Public School Board deeding to the Village the property known as the Old High School, the Village will deed to the Public School Board, the whole of Block "B" Plan 548, comprising five acres more or less and an agreement shall be prepared whereby the Village will lease to the Public School Board for an indefinite period at a rental of $2.00 per year, the property known as the Old High School and will give the School Board a minimum of two Years' notice in writing before terminating the lease."
MOTION CARRIED.

The Special Meeting of Council adjourned at 10:15 P.M.

A Special joint meeting of Council and Planning Board was now called to order at 9:05 P.M. with the following present:-

Deputy Reeve: J.M. Adamson
Councillors : W. Arch, F.T. Smith; G. Parker
Planning Board Members: Mrs. H.M. Willis and R.W. Mishaw

It was moved that Deputy Reeve J.M. Adamson be Chairman of the Joint Meeting.

The joint meeting was called for the purpose of discussing the proposed annexation requested by Credholme Developments with that firm and with Village Solicitor Ward Allen and Industrial Consultant Homer Marion. The joint meeting was moved into committee and the requested annexation was discussed and it was agreed that a joint meeting of Planning Board, Council and Public Utilities be arranged for Wednesday, February 5th at 8:00 P.M. for the purpose of discussing terms of annexation.

The joint meeting adjourned at 10:15 P.M.

REEVE

CLERK

STREETSVILLE, Ontario
January 20th, 1958.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:15 P.M. and the minutes of the meetings of January 13th, 1958 and January 16th, 1958 were now read and adopted by motion.

Mr. A.S. Mendell now introduced the Building Committee of the Brampton High School District Board, consisting of Messrs. Richardson, Wylie and Dunton and it was moved that Mr. Richardson who was the spokesman for this Committee, be heard. Mr. Richardson advised Council that his Board was prepared to sell the extra land on the east side of Joymar Drive to the Village at cost, provided however that the builder who was presently occupying this land, would not be disturbed until the School was completed and any additional surveying to be done would be done by the Village and also if an agreement could be made with the Village to take care of the school drainage. The storm drain from the school which presently extends from the school to the Joymar Drive extension and which is seven feet below road grade at the street line, was now discussed. Mr. Richardson stated that, if the Council were prepared to go the cost of extending this storm sewer to the Mullet Creek, they were prepared at this time to dispose of the extra land to the Village at cost. However, Council felt that, if they gave the school board an easement for this drain, the school board should bear the cost of extending this storm sewer through the steep bank and Council would bear the cost of an open drain from where this storm sewer protrudes through the bank to the Mullet Creek. Mr. Richardson advised Council he would have to report back to his Board for their decision.

Mrs. Doris Hope now introduced Mrs. Turner of the Streetsville Community Kindergarten School to the Council and it was moved that Mrs. Turner be heard. Mrs. Turner advised Council their kindergarten had had several children come down from Vista Heights by taxi and other means which had proven unsatisfactory and to solve this situation, the kindergarten School had bought a bus to transport these children which numbered 13 or 14 back and forth to school and this bus had been stopped to-day by the Chief of Police and Mr. Turner, who was the driver, was told that he was violating a Village by-law. Mrs. Turner pointed out that this bus was not being operated for a profit but rather as a service for the School and the vehicle was insured by Mr. W.N. Atkinson. Mrs. Turner was advised that By-law Number 1035 regulated buses and taxies within the Village. However, if this bus was not being used for profit or gain, an amending by-law could be passed to allow them to use this bus and it was

Moved by W. Arch Seconded by J.M. Adamson

THAT the Board of the Streetsville Community Kindergarten School be given permission forthwith to operate a bus to transport children to and from school and further that our license by-law be amended to provide for same.

MOTION CARRIED.

It was now moved that Mr. Harold Heathcock, Chairman of the Public School Board, be heard. Mr. Heathcock advised Council their Board had decided to build a six-room school in Riverview Heights and also they had approved of the exchange of the Old High School property for Block "B" in Riverview Heights providing the Board could still use the old High School. He also advised that Mr. Underhill was going to contact the Department of Education to seek tentative approval for the construction of the new school and, when a reply was received from the Department, they would advise the Clerk so that the necessary by-laws and agreements could be drafted.

It was now moved that Mr. Homer Marion be heard. Mr. Marion now read and presented to Council a letter from him dated January 20th, 1958 urging the immediate passing of a by-law for annexing approximately 185 acres to the north of Riverview Heights, and also requesting Council to send a letter to John C. Pallett, M.P.

VILLAGE OF STREETSVILLE

at Ottawa requesting the re-establishment of a customs port in Streetsville. This letter was now discussed with Mr. Marion and it was decided that Mr. Marion would draft a letter which Council could forward to Mr. Pallett and also that a special meeting would be held on January 27th with the Village solicitor, Members of the Planning Board and Members of Credholme Developments to discuss the request for annexation.

Council adjourned at 10:40 P.M. to enable the committees to prepare their reports.

The Council was again called to order and the report of the Miscellaneous Committee was read and adopted by motion.

On suggestion of Councillor F.T. Smith it was agreed that the motion respecting employees' salaries should be dealt with by Council as soon as possible at a closed meeting.

On recommendation of Councillor W. Arch, it was agreed that the Works committee would investigate the employment of any temporary workers employed on the Village Works Department and set a policy for employing any such helpers in future.

Council now adjourned at 11:10 P.M.

REEVE

CLERK

STREETSVILLE, Ontario
January 27th, 1958.

A Special Meeting of the Village Council was held this date in the Council Chambers with all members, excepting Reeve Dowling, present.

The meeting was called to order at 8:30 P.M. with Deputy Reeve J.M. Adamson in the Chair.

It was now moved that Mr. William Davis, solicitor for Bruce Rundle, be heard. Mr. Davis advised Council he was present to request that the taxi license for Mr. Rundle be re-instated. He said it was his understanding that, when the license was suspended, no formal reason was given to Mr. Rundle. It was pointed out to Mr. Davis that Mr. Rundle had been to Council after his license was suspended and his solicitor, who was Mr. Mackie at that time, was requested to contact Village Solicitor Ward Allen who would submit a report to Council and to date, this had not been done. The re-instating of this license to Mr. Rundle was now discussed with the Village Solicitor Ward Allen and it was

Moved by W. Arch Seconded by F.T. Smith

THAT the taxi license of Mr. Bruce Rundle be issued after a favourable report has been received in writing from our Chief Constable and the by-law has been complied with.

MOTION CARRIED.

Councillor G. Parker now enquired regarding the by-law requiring property owners to shovel snow from the sidewalks and, after by-law number 868 had been read and discussed, it was decided that the Police Committee Chairman would contact the Chief Constable to have this by-law enforced.

Councillor G. Parker now advised Council that he and Deputy Reeve Adamson had a Works Committee meeting with W.A. Hamilton and Norman Russell and had reviewed the works to be done and were satisfied with the amount of work being done by the number of men employed.

Council now adjourned at 9:05 P.M.

REEVE

CLERK

STREETSVILLE, Ontario
February 3rd, 1958.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:15 P.M. and the minutes of the meetings of January 20th, 1958, January 27th, 1958 and of the joint meeting with the Streetsville Planning Board on January 27th, 1958, were now read and adopted by motion.

It was now moved that Mr. Bruce Galloway solicitor for the Streetsville Cab be heard. Mr. Galloway advised Council that he was present with respect to the application of Bruce Rundle for the reinstatement of his taxi license, which, according to clause 40 of By-law Number 1235, could not be reinstated within one year from the time it was cancelled which was only in July or August of last year. Mr. Galloway went on to state that, since Streetsville Cab had been giving good service to the Village and, according to surveys made by the American Cab Association in other places, the present population of the Village was not sufficient to support another cab. He therefore requested Council to adhere to Clause 40 of the By-law. Mr. Galloway was requested to submit to Council in writing, the submission which he had made for further consideration by Council.

It was now moved that Mr. Bruce Rundle be heard. Mr. Rundle advised Council that he was unable to have his solicitor present this evening and, in view of the statements made by Mr. Galloway, he would appreciate having the matter adjourned until such time as his solicitor could be present. Mr. Rundle was advised to present his submission to Council in writing, the same as Streetsville Cab, for further consideration by Council.

The following correspondence was now read:-

1. Letter dated January 24th, 1958 from Streetsville Public Library Board requesting area in front of the Library to be hard surfaced.
2. Request from Norman Russell dated February 3rd, 1958, to have employee A. Cooper placed on a permanent basis.
3. Letter dated January 30th, 1958, from the Separate School Board re submission of 1958 Budget.
4. Request for grant from The Canadian Mental Health Association, Ontario Division.
5. Request for grant from The Salvation Army.
6. Letter dated February 3rd, 1958, from The Public Utilities Commission requesting a joint meeting.
7. Letter dated January 27th, 1958 from Mrs. Gertrude MacDonald offering to sell the lot on the south-west corner of Tannery and Broadway Streets for $2,500.00.

10. Letter dated January 22nd, 1958 from Homer S. Marion re customs port of entry for Streetsville.

Mr. Harold Heathcock, Chairman of The Public School Board, now arrived at the meeting and it was moved that Mr. Heathcock be heard. Mr. Heathcock advised Council that his Board would be meeting to-morrow evening and he wanted to know how soon after that could a joint meeting be arranged between his Board and Council. It was decided this meeting could be held on February 10th, at 7:30 P.M.

The Council now recessed at 8:55 P.M. to enable the Committees to prepare their reports.

The Council was again called to order at

R. Dowling REEVE

L. D. McGillivary CLERK

STREETSVILLE, Ontario
February 10th, 1958.

A Special joint meeting of the Municipal Council and the Public School Board was held this date in the Council Chambers, with the following members present.

Reeve: F. Dowling
Deputy Reeve: J.M. Adamson
Councillors: G. Parker
F.T. Smith
W.C. Arch

Public School Board: Harold Heathcock
Mrs. I. Nixon
William Anderson
Victor Newman
Arthur Simpson.

The meeting was called to order at 7:45 P.M. and it was moved that Reeve Dowling be chairman of the joint meeting.

Mr. Harold Heathcock, Chairman of the Public School Board, advised the Council that the Public School Inspector had recommended that the School Board not dispose of the old HighSchool property until the Board was absolutely through with this property and he therefore recommended that, in view of the Public School Board getting a deed from the Village for Block "B" in Shipp Subdivision, the Public School Board will give the Village, a deed in escrow for a period of three years for the old High School property. Since Mr. Heathcock did not think that the present Council could enter into an agreement which could also bind future Councils for the leasing of the old High School property to the Public School Board for a minimum of least three years, it was decided that the joint meeting would adjourn until Village solicitor Ward Allen arrived. The joint meeting therefore adjourned at 8:30 P.M.

The Council was called to order at 8:35 P.M. and Council moved into committee to discuss a wage and salary scale for Village employees. The committee arose at 9:05 P.M. and it was

Moved by W. Arch Seconded by J.M. Adamson

THAT, effective February 1st, 1958, and until further notice, the attached schedule of wages and terms of employment shall be effective in the Village of Streetsville.

MOTION CARRIED.

Moved by J.M. Adamson Seconded by Geo. Parker

THAT Peel County Road Committee be offered, the sum of Two Hundred Dollars ($200.00) for one used box type sander to be used by our Roads Department re sanding, etc.

MOTION CARRIED.

The Council adjourned at 9:10 P.M. at which time the Joint Meeting between the Public School Board and the Council was again called to order and Mr. Heathcock now advised the meeting, his Board, in view of receiving a deed for Block "B" in Riverview Heights, were prepared to give the Village a deed for the old High School property, providing the Village would lease this property to the Streetsville Public School Board or to any School Board having jurisdiction for this area, for school purposes only, until June 30th, 1961, at an annual rental of $2.00 per annum and, at the end of that period, the lease to be on a one-year renewal basis, with a minimum of one year's notice for termination of the lease. It was also decided that the lessee

must be responsible for maintenance and protection of the building and must carry fire and liability insurance to the extent of that now carried. It was decided that the Village Solicitor would prepare the necessary deeds and agreement for Council meeting on February 17th.

The Joint Meeting now adjourned at 9:25 P.M.

The Council was again called to order at 9:30 P.M. for the purpose of discussing terms to be included in an agreement which the Village would require from property owners seeking annexation. After hearing from Mr. V.C. Johnston, Chairman of the Public Utilities Commission, advising that a 10" water main would be required to be installed from Queen Street and Britannia Road to service this area, and also representation by Mrs. Willis on behalf of the Planning Board that their Board had not, as yet, given full consideration to this annexation request, the Council moved into Committee to discuss agreement terms for annexation.

The Committee arose and the Council adjourned at 11:30 P.M.

Moved by George Parker Seconded by J.M. Adamson

THAT the members of Council of The Village of Streetsville feel that, as responsible elected representatives of the ratepayers in the Village, they should not delegate their responsibilities to unelected persons. In view ofthis, the Council feels that it must discontinue the permanent services of an "Industrial Consultant" and call upon the assistance and advice of others only from time to time as when considered necessary and helpful to Council. The current "Industrial Consultant" should be so advised, thanked for past services and informed that we hope that we may call upon him for advice and assistance in the future if we so desire.

THAT the Legion be given an extension until May 15th, 1958, as closing date re offer to purchase property owned by the Village adjoining the Legion Hall.

MOTION CARRIED.

It was now moved that Mr. Stan Collins be heard. Mr. Collins complained of the walls of the building next to his residence which was occupied by Western Tire and Which was burned out on Friday last, being in a dangerous condition, and he felt something should be done about it, at once. However, Council was advised by the Deputy Clerk that the building Inspector had been notified of this condition by the owner of the building.

Council moved into Committee to discuss the drainage for the new High School; as well as the zoning, services for and disposal of the land being offered for sale to the Village by the High School.

The committee rose and it was decided that the Planning Board be requested to have the land being offered by the High School to the Village, re-zoned from "industrial" to "residential."

Council adjourned at 11.10 P.M.

STREETSVILLE, Ontario
April 21st, 1958.

The regular semi-monthly meeting of the Village Council was held this date in the Council Chambers with all members, excepting Councillor W.C. Arch, in attendance.

The meeting was called to order at 8:40 P.M. and the minutes of the meetings of April 7th and April 14th, 1958, were now read and adopted by motion.

It was now moved that Mr. Turwey of Swanhurst Boulevard be heard. Mr. Turwey advised Council that he and Mr. Hemmings were present to obtain permission to remove the present single driveway culverts for lots 181, 182, 183 and 184 Swanhurst Blvd. and have these culverts replaced, at their expense, with a double driveway culvert to accommodate lots 181 and 182 and another one to accommodate lots 183 and 184. Mr. Turvey was advised that Council would give this permission providing the culverts were installed under the supervision of the Clerk of Works.

It was now moved that Mr. Ron Beehoo be heard. Mr. Beehoo advised Council that he was present with respect to his application for a two-storey industrial building, the second storey of which he contemplated using as an apartment for himself, which he thought was permissible under the clause of "permitted uses" in M.1 zoning area, which permits the residence of a caretaker, as which he thought he could class himself. However, as this point seemed to be contentious at the present time, he has omitted the apartment from his building plans at this time to expedite approval of a building permit for his machine shop which is most urgent.

The following correspondence was now read:-

1. Letter dated April 9th, from Brampton District High School Board regarding purchase of the Board's surplus property.
2. Letter dated April 14th from Dolphin Development Company Limited re subdivision lot contribution with respect to Lot 71, Plan 529.
3. Letter dated April 18th from Denny Motor Sales confirming purchase order for one new 1958 Chevrolet car for the Police Department.
4. Letter dated April 8th, from Streetsville Planning Board recommending letters of tolerance for lots 18, 19 and 24 , Plan 529.
5. Letter dated April 8th from Streetsville Planning Board protesting the approval given by Council to Dr. Montemurro for a four foot extension to his office building on Maiden Lane.
6. Letter dated April 18th from Streetsville Memorial Recreation Centre re the formation of a recreation ~~club~~ Committee.
7. Letter dated April 9th from McMillan, Binch Company re variance of Zoning By-law Number 1202 with respect to Lot 36, Plan 529.
8. Application for a cab driver's license from Charles A. Rutledge.
9. Applications for building permits as follows:-
   (a) John L. Green to erect a double car garage at #7 Queen St.S.
   (b) Ray Hutt to erect a one-car garage at #5 Queen St.S.
   (c) H.E. Jones to erect a plastic non-flashing electrical sign at 226 Queen Street S.
   (d) L. Atchison to extend and alter residence at 41 Queen St.S.
   (e) L. Atchison to erect a two-car garage at 41 Queen St.S.
   (f) Stanley Vandermuelen to make alterations to front of house at 25 Thomas St.
   (g) Dolphin Development Company Limited to erect single family dwellings on Lots 8, 9, 10, 40 and 41 - Plan 529; and Lots 12, 15, 17, 18 and 20 - Plan 530.
   (h) Ronald James Beehoo to erect a machine shop with storage and office space on Part of Lot 3, Old Station Road.

The Council now recessed to enable the committees to prepare their reports.

The Council was again called to order at 11:00 P.M. and the report of the Miscellaneous Committee was now read, discussed and adopted by motion .

VILLAGE OF STREETSVILLE

TO THE REEVE AND MEMBERS OF THE VILLAGE COUNCIL

We the Committee on ..... Miscellanous ..... **beg to report as follows:**

The Council now adjourned at 10:45 P.M.

REEVE

CLERK

STREETSVILLE, Ontario
May 5th, 1958.

The regular monthly meeting of the Village Council was held this date in the Council Chambers with all members of the Municipal Council, excepting Councillor W.C. Arch, present.

The meeting was called to order at 8:15 P.M. and the minutes of the meetings of April 28th and April 21st, 1958, were now read and adopted by motion.

It was now moved that Fire Chief K.R. Burns be heard. Mr. Burns brought to the attention of Council there was no hydrant on Queen Street North, north of Queen Street and James Street. However, he would be submitting a formal report on this to Council at a later date. He advised Council that the Fire Department had submitted the plans for the proposed new fire hall to four different builders and had now received estimates on same. The Council now moved into committee to discuss these estimates. The committee rose and it was decided that the specifications should be reviewed by the Village Solicitor before calling tenders on the proposed new fire hall.

It was now moved that Mr. Merv Brocklebank, spokesman for the residents on Queen Street North, be heard. Mr. Brocklebank advised Council that they were present with respect to a petition submitted to the Council last September for sewers along Queen Street North, at which time they were advised that this matter would be investigated to ascertain whether or not it was possible to install these sewers. Mr. Brocklebank went on to state that he had been advised that it was impossible for either the Shell Service Station or the Fina Service Station to be drained by these sewers if the sewer were taken directly along Queen Street to the existing manhole just south of Britannia Road. However, he thought it was possible to drain all these properties if an easement was obtained from G.S. Shipp & Son Limited, so that this sewer would connect in with the Arch Road sewer. Mr. Brocklebank was advised that G.S. Shipp & Son would be approached with the possibility of getting this sewer easement.

It was now moved that Mr. Koshel be heard. Mr. Koshel was present with respect to the laneway into his property being damaged because of faulty drainage . Due to traffic using Hillside Drive as an entrance to both the brickyard and to Mr. Koshel's property, it was decided that the Works Committee would investigate this matter and bring a report back to Council. Mr. Koshel also ad vised Council that he had a barn built of good building material which he would like to turn into living quarters and, if this was not permissible, he would like to tear it down and build another building suitable for living quarters. Mr. Koshel was advised that he would have to make proper application to the Planning Board.

The following correspondence was now read:

1. Letter from Streetsville Fuels Limited with respect to the supply of gasoline for Village owned vehicles.
2. Letter dated April 22nd, from H. Ward Allen enclosing an interim account re annexation matters.
3. Letter dated May 5th, from H. Ward Allen enclosing statement for professional services with respect to restricted area by-laws 1262 and 1265.
4. Request dated May 2nd, from the St. John Ambulance Corps for a grant.
5. Letter dated May 1st, from Streetsville Public Library Board requesting the balance of their current year's levy.
6. Letter dated April 22nd, from Streetsville Public School

Board requesting final approval of the Municipal Board for an expenditure of $129,990.00 for the construction of a six-room public school in Riverview Heights.

7. Letter dated April 29th, from G.S. Shipp & Son Limited requesting the Village to carry out the maintenance of the roads in Riverview Heights.
8. Ontario Municipal Board Appointment for Hearing of the Township of Toronto application for approval of its restricted area by-law number 2494 entitled "A By-law to amend the zoning by-law number 1614."
9. Letter dated April 28th, from McMillan, Binch and Company re lots 18, 19 and 24 contravening zoning by-law requirements and requesting a letter of tolerance on same.
10. Letter dated April 28th, from McMillan, Binch and Company requesting a letter of tolerance with respect to lot 36, Plan 529.
11. Letter dated April 23rd, from Streetsville Public School Board re 20' lane from DeNesbbi Drive to Vista Heights School being damaged by construction company.
12. Application from Consumers' Gas Company to lay a gas main on DeNesbbi Drive.
13. Tender dated April 30th from Edward E. French for the supply of one backhoe.
14. Tender dated April 29th from H. Buck & Sons for the supply of one backhoe.
15. Letter dated April 29th from Dolphin Development Company re Mullet Creek trunk sewer easement with respect to Lots 92 and 93, plan 529.
16. Letter from the Clerk of Tweed, Ontario, enclosing a copy of their resolution dated May 2nd, 1958 and requesting the adoption of same with respect to the threatened strike on the Canadian Pacific Railway.
17. Letter dated April 28th from W. Kanis, secretary of Ward 3 Ratepayers' Association inviting members of Council to be present at the next meeting of that association.

Applications for building permits as follows:

(a) D.J. Sanderson to erect a garage at 23 De Jong Drive.
(b) Dolphin Development Company to erect a single-family dwelling on Lot 22, Plan 530; and Lots 45 and 46, Plan 529.
(c) Gerhard Brennenstuhl to erect an overhanging sign at 217 Queen Street South.
(d) Jean Hart to erect a sign on a post in front of her property at 12 Thomas Street.
(e) K. Honsberger to erect a ten-suite apartment building on Part Lot 6, Britannia Road.

It was now moved that Mr. Powell be heard. Mr. Powell presented to Council the estimates which he prepared for the construction of the proposed Tannery Street bridge. He did not have an estimate for the construction of the approaches to the birdge but advised that he would be able to obtain this in a matter of a few days. Mr. Powell advised Council that it was necessary to have construction start as soon as possible so as to have the bridge in operation by September 1st and he was, therefore authorized to call tenders for same.

Mrs. Cottrell presented a report to Council with respect to the proposed annexation and Council moved into Committee to discuss that report. The committee rose at 11:30 P.M. and it was moved that Council sit until the business was completed, and Council again moved back into committee. The Committee rose at 12:40 A.M. and the report of the Works Committee was now read and Council moved into committee to discuss that report. The committee rose and the report of the Works Committee was adopted by motion.

RESOLUTION RE 18 YEAR OLD WARDS OF CHILDREN'S AID SOCIETIES

WHEREAS: Part 11 Section 16 Sub-section 17 of the Child Welfare Act 1954 with ammendments thereto by the Child Welfare Ammendment Act 1958 provides that when a child has been committed as a ward of a Children's Aid Society the Judge may extend such wardship for such period he deems proper beyond the day on which the ward attains the age of 18 years but not beyond the day the ward attains the age of 21 years

AND WHEREAS the said Section and subsection makes it mandatory upon the Judge making the Order of extended wardship to relieve any municipality paying the rate in respect of the ward from liability for the rate during the extended period of wardship

AND WHEREAS some municipalities continue to voluntarily pay the rate to the Children's Aid Society during the extended period of wardship deeming it to be in the best interest of such ward particularly in instances where it makes possible completion of higher education commenced or planned before the 18th birthday

AND WHEREAS such municipalities may not include any such voluntary payments on their annual application to the Ontario Department of Public Welfare under Section.21 of the Child Welfare Act 1954 as re-enacted by the Child Welfare Ammendment Act 1956 for a forty percent rebate on net expenditures of a municipality under an Order of the Judge to pay the ratein accordance with the provisions of the Child Welfare Act

AND WHEREAS it is deemed that the effects of the said Section 16 subsection 17 works a hardship on wards requiring such extended wardship and upon the parent Society charged with the responsibility of maintaining the ward and discriminates against a municipality which voluntarily continues to pay the rate for such ward

over.

AND WHEREAS we are advised that the total number of wards in Ontario requiring an extended period of wardship as provided in the Child Welfare Act is a very small percentage of the total number of wards

BE IT THEREFORE RESOLVED that the Ontario Department of Public Welfare be petitioned to request the Legislature to further amend the Child Welfare Act 1954 and the Child Welfare Amendment Act 1958 in such a way that it will have the effect of rescinding the mandatory order on the Judge to, in all cases, relieve the municipality of paying the rate for an extended wardship and to make it permissive for the Judge to make an Order against the municipality for continuing payment of the rate when such municipality has had reasonable written notice of the application to the Court for extension of the wardship, a detailed explanation of the reasons for such extension and is satisfied that the extended period of wardship is in the best interests of the ward involved

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to the Ontario Mayors and Reeves Association for consideration and endorsement at their Convention.

of the Police Committee was read and adopted by motion.

Mr. Honsberger now requested permission to address Council re his application for a building permit to erect an apartment building. Mr. Honsberger was informed that he had not obtained permission from the County to connect to the County sewer nor had he paid the necessary fee to the Village for a sewer connection. Also the footings of the building were below the creek bed level of Mullet Creek. Mr. Honsberger agreed that, at the present time, the footings were below Mullet Creek level but it had been necessary to go deep in order to obtain the necessary solid footings but he intended to raise the floor level by three feet eventually. Mr. Honsberger was advised that he would have to obtain permission from the County to connect to the county sewer and also pay a fee of $175.00 to the Village of Streetsville for a 6" sewer connection.

The report of the Miscellaneous Committee was read and adopted by motion. The report of the Finance Committee was now read and adopted by motion. The report of the Roads Committee and of the Works Committee were now read and adopted by motion.

It was now moved that Mr. Timney, of the Vista Heights Ratepayers' Association, be heard. Mr. Timney advised Council that the residents of Vista are interested to know how much it would cost on their taxes to have the roads within their subdivision paved. After a lengthy discussion, it was decided that Mr. Hamilton would be asked to prepare two sets of figures on this work - one for a cost of the total job of putting in sidewalks, sotrm sewers, curbs and gutters and the other for the cost of a black top 22' roadway. The Clerk was to be requested to contact Mr. Fiander, of the Department of Highways, to ascertain if it would be possible for him to attend a meeting on Wednesday evening, May 28th at 8:00 o'clock, to discuss the basis of obtaining a grant for the performance of this work. Mr. Timney was advisedthat, if at all possible, these figures would be available to him in time for him to submit same at the next meeting of the Vista Ratepayers' Association on June 9th.

The matter of the excess property of the High School was now discussed and it was decided that Council would meet with Dolphin Development Company and ascertain definitely whether or not they were interested in the purchase of this property.

It was recommended by Councillor George Parker that the statement rendered by the P.U.C. for the extension of the watermain and services to the High School property, be paid.

The servicing, subdividing and sale of the excess land owned by the Brampton High School District Board which is being sold by that Board to the Village was now discussed with Mr. Morley and Mr. Winship of the Dolphin Development Company. An offer of $23,800.00, dated May 28th, for the purchase of this land from Dolphin Development was discussed and it was

Moved by F.T. Smith Seconded by Geo. Parker
THAT the Village of Streetsville sell to Dolphin Development Company Ltd. at a price of $23,800.00 on "Builders' Terms", part of E½ of Lot 4, Con.V WHS, containing approximately 3.2 acres and subject to a suitable agreement being prepared by the Village Solicitor and executed by both parties.

STREETSVILLE, Ontario
June 2nd, 1958.

The regular monthly meeting of the Village Council was held this date in the Council Chambers with all members of the Municipal Council present excepting Councillor W.C. Arch. and Deputy Reeve J. M. Adamson.

The minutes of the meetings of May 5th May 14th, May 21st, May 23rd, May 26th and May 29th 1958, were now read and adopted by motion.

It was now moved that Mr. Ken. Honsberger be heard. Mr. Honsberger was present with regard to his application for a building permit to erect an apartment building on the West half of Lot 6, Con.V. WHS which had been deferred pending a further report from the Building Inspector. Mr. Honsberger advised Council that he had now satisfied the Building Inspector with respect to the depth of the footings and that the fill to be placed around the proposed building would be higher than "Hurrican Hazel" flood level. He also advised Council that he had been in touch with the Peel County Engineer with respect to the sewer lateral which he had extended along Britannia Road and he was advised that the County had no objection providing he filed with them an agreement whereby, in the event the sewer had to be removed, he would be prepared to do so. Mr. Honsberger was advised by Council that his application for a building permit would be approved subject to him filing the necessary agreement with the County and also the acceptance of the agreement by the County. Mr. Honsberger also wanted to know if the Council would give any consideration to the control of mosquitoes which were breeding around the power dam and were a menace to the residents of his River Road subdivision. It was the feeling of Council that, if this area were sprayed to control the mosquitoes, there were likely to be several other areas within the Village which would require spraying as well. However, this latter, was referred to the Works Committee for a report.

It was now moved that Mr. Ken Timney be heard. Mr. Timney advised Council that the posts at the end of Joycelyn Drive had been removed with the result that several teen-age hoodlums in hot rods were using this road as an access to the fields owned by Vista Development and Mr. Omar Turney and therefore creating a hazard to the several samll children who used these fields for a playground. Mr. Timney was advised the Works Department would have these posts replaced and the Police Department would also be advised of this situation.

It was now moved that Mrs. Annette Cottrell be heard. Mrs. Cottrell presented to Council a proposed plan of subdivision on all the lands which had been and which she proposed to have annexed to the Village, and requested Council to proceed at once with annexation proceedings as authorized in By-law Number 1283. Mrs. Cottrell was advised that her proposed plan of subdivision should be presented to the Planning Board and also her solicitor should get in touch with Mr. Ward Allen with respect to the re-zoning of the lands which had just been annexed.

August 7th, 1958.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. Also present was Mr. Newton Powell, Consulting Engineer.

The meeting was called for the purpose of considering tenders received for supply and erection of handrailing for the Mullet Creek bridge at Tannery Street.

The following tenders were opened:

Argus Steel Construction Limited - $ 725.00
Superior Welding & Sheetmetal Co. - 1386.00

It was agreed that tender received on August 6th from Fabricated Steel Products (Windsor) Limited be returned unopened.

Moved by F.T. Smith Seconded by W. Arch

THAT we accept the tender of Argus Steel in the amount of $725.00 subject to the approval of the Engineer and the Department of Highways, for the supply and erection of handrailing for the Mullet Creek bridge at Tannery Street.

August 11th, 1958.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:10 P.M. and it was moved that Mr. Caverley of The Ontario Water Resources Commission be heard. Mr. Caverley presented to Council a list of equipment which was necessary immediately; as well as a list of equipment which would be necessary at a later date, for the Sewage Treatment Plant. These lists were referred to the Works Committee to investigate what equipment the Village presently had and what equipment would therefore have to be purchased. Mr. Caverley also advised Council that they had interviewed two applicants for the position of sewage plant operator. However, they wished to advertise so as to receive more applications. It was decided that an advertisement would be inserted in the August 14th issue of the Streetsville Review and the Port Credit Weekly for applications to be received up until August 22nd so that all applicants could be interviewed on August 25th.

The minutes of the meetings of July 21st, July 23rd, July 28th, July 30th and August 7th were now read and adopted by motion.

It was now moved that Mr. Ken. Honsberger be heard. Mr. Honsberger was present to obtain approval from Council for a building permit to erect an additional storey to the apartment building which he is presently building on Britannia Road. In reviewing Mr. Honsberger's application for a building permit, it was discovered that his application showed a 50' set-back from the street line. However, his original application showed a 60' set-back. Mr. Honsberger advised Council that this was an error on his part and the application should have read "60'" set-back and it was therefore changed at this time by Mr. Honsberger. Mr. Honsberger was also advised that his application to the Committee of Adjustment stated that the existing building was only one storey and Council could not understand why his application to the Committee of Adjustment was made in that way and why it was not classed as either one storey and basement or one storey and cellar. It was therefore suggested to Mr. Honsberger that he make an appointment with the Department of Planning and Development, at which time some member or members of Council could also be present to have the matter clarified.

The Council now adjourned to enable the Committees to prepare their reports.

The Council was again called to order at 11:00 P.M. and the correspondence was read at the time the respective reports of the Committees were being read. The report of the Roads Committee was now read, discussed and adopted by motion. It now being 11:30 P.M. it was moved that Council sit until the business was completed. The reports of the Works Committee, Miscellaneous Committee, Police Committee and Finance Committee were now read and adopted by motion.

Councillor F.T. Smith referred to the request of the Public Utilities Commission for a debenture issue for the construction of a water tank and advised Council that he had been speaking to the Department of Municipal Affairs and he suggested that, before seeking approval for any further debenture issues, a special meeting should be arranged with all Boards and Commissions to ascertain their programmes of capital costs during the next five years, and it was also decided that the Clerk should prepare a statement showing the status of all debentures whether sold or unsold, for Council at their next meeting.

It was now
Moved by W. Arch Seconded by F;T.Smith
THAT Mrs. Bourne be paid the sum of $15.00 for extra work re attending police investigation meeting and that this be charged to Police account.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 9:25 P.M. and the minutes of the meetings of August 11th and August 15th were read and adopted as amended.

It was moved that Mrs. Annette Cottrell be heard. Mrs. Cottrell was present with the annexation agreements in connection with Block "D" duly signed. These she handed over to the Village Solicitor Ward Allen, who examined same and found them to be in order.

It was now moved that Mr. Metcalf be heard. Mr. Metcalf was present on behalf of his client Mr. Kenneth Honsberger in connection with his application for a building permit for the erection of an extra storey to the apartment building which he is presently constructing on the East ½ of Lot 6, Con. V.WHS.

Council was most concerned as to what steps had been taken to control flooding in this area, since past experience had indicated that portions of this area were prone to serious damage on occasions. Council also insisted that the Village would not be held responsible for any damage incurred as the result of such flooding. After a lengthy discussion involving Solicitor Ward Allen, members of Council and Mr. Metcalf, it was suggested that Mr. Metcalf, his client Mr. Honsberger, Village Solicitor Ward Allen and Clerk of Works, Mr. Hamilton, should retire from the meeting and endeavour to reach an amicable arrangement whereby Mr. Honsberger could be granted a building permit.

Council now moved into committee to prepare their various reports.

Council rose at 11:20 P.M. and it was moved that Council sit until the business was completed.

The correspondence was read at the time the respective reports of the committees were being read.

The Works Committee report, the Miscellaneous Committee report, the Police Committee report and the Finance Committee report were now read and adopted by motion.

Mr. Dowling now advised Council that he had received a request from the Canadian Legion for the closing of Church Street and permission for the use of a sound truck to publicize their Garden Party being held in the park on August 22nd, and it was

The Court of Revision for the Village of Streetsville was held this date in the Council Chambers with all members present.

The purpose of the Court was two-fold.
Firstly: To hear appeals for or against the construction and/or cost of a sanitary sewer along Queen Street North from Britannia Road northerly; and
Secondly: To hear appeals for or against the construction and/or cost of a sidewalk along the east side of Queen Street South from Reid Drive northerly to the existing sidewalk.

The meeting was called to order at 8:15 P.M. and it was
Moved by F.T. Smith Seconded by W. Arch
THAT F. Dowling act as Chairman on the Court of Revision hearing to be held on this date.
MOTION CARRIED.

As none of the parties who had signed the original petition for sewers were at the meeting at this time, it was decided that Council would hold this matter in abeyance pending advice from the Village Solicitor.

The matter of the sidewalk on Queen Street South now came up for discussion and Mr. Couse, who the only property owner present interested in this project, was called upon to give his reaction. Mr. Couse stated that he was surprised to find he was the only property owner in attendance at this meeting and, if by not appearing, the other ratepayers were in favour of the construction of this sidewalk, he was loath to be the only dissenting voice. However, he wished to go on record as it being his opinion that there was not sufficient pedestrian traffic at this particular location, to warrant the spending of so much money for a sidewalk.

Since Council was in doubt as to why more property owners had not appeared at the hearing, they were reluctant to come to any decision and it was
Moved by F.T. Smith Seconded by W. Arch
THAT, as only one owner of the properties affected by the proposed extension of sidewalks on Queen Street South is present, the Court of Revision shall reserve its decision until 8:00 P.M. on Monday, September 8th and that each owner of properties affected shall be so advised.

It was now 8:30 P.M. and Solicitor Ward Allen arrived at the meeting.

As two of the property owners who had signed the original petition for sewers on Queen Street North, had also arrived, it was moved by J.M. Adamson that Dr. Christie be heard. Dr. Christie advised the Court that there had been an informal group meeting of some of the ratepayers concerned at which Mr. Harry Arch, Mr. Vern Lamb, Mr. Merv. Brocklebank and himself had been present and they had all expressed unanimous approval for the construction of this sewer. However, speaking for himself, he stated that he was desperately in need sewer service and urged its construction without delay. Mr. Merv. Brocklebank was now

Dear Sir:

We are pleased to quote you a price of $8,749.00 for the installation of 8" class C14 concrete sanitary sewer on Britannia Road and Queen Street as outlined to the writer to-day. Our price includes connection to existing manhole on the trunk sanitary sewer of the Shipp Sub-Division on the North side of Britannia Road, also four additional precast reinforced concrete manholes, two on Britannia Road and two on the West side of Queen Street. We have also included seven 6" services to the lot lines for the five residences and two service stations on Queen Street with 8x6 Y's at the trunk sewer and 6" stoppers at the lot lines for service connections. All work will be done to the satisfaction of yourself or your consulting engineers. We would suggest that the 8" Class C14 concrete pipe be encased in concrete for depths over 10'. For concrete encasement on 8" pipe we quote $350.00 per lineal foot.

Thanking you for this opportunity of quoting, we are,

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The meeting was called to order at8:10 P.M.

The matter of the heating for the new Fire Hall now came up for discussion and Fire Chief K. Burns was asked for his views on the subject. Mr. Burns stated that the original specifications called for gas heating because it was considered that there would be less maintenance cost, no space taken for storage tanks and no need to keep a check on fuel supply. However, if Council felt that it would be more advantageous to use oil for this purpose, he had no opposition to offer. Reeve Dowling pointed out that the P.U.C. was in the business of selling hydro and he thought that the Village should make use of a local utility. However, since very little hydro would be involved in the use of oil heating, it was decided that the original specifications would be adhered to and it was

Moved by George Parker Seconded by J.M. Adamson

THAT we recommend that the motion of August 21st, 1958 to instal oil furnace in place of gas furnace in the Fire Hall in the Village of Streetsville, be rescinded.

MOTION CARRIED.

Councillor Arch now informed Council that he had received criticism concerning the police cruiser accompanying the fire truck to fires outside the Village and, as this left the Village with no police protection, he asked Chief Burns if it were necessary for the police to remain at a fire when it was not located in the Village. Chief Burns stated that, while it was not absolutely necessary for the police to accompany the fire truck, they would be considerably hampered in their efforts to fight a fire if the police were not present to direct those whose cars did not display the fire department plate, away from the scene of the fire. However, he concurred with Councillor Arch in his opinion that Toronto Township could get a cruiser of their own on the scene in very short order and thus relieve the Streetsville police for duty in the Village. The Clerk was instructed to write Toronto Township outlining the risks involved and requesting their co-operation in dispatching a cruiser to future fires in their municipality when the Streetsville fire department had responded to the alarm.

Mr. Burns now had a further word to say with regard to the back wall of the Fire Hall where, he stated, the windows were not uniformly set up and suggested that the wall be parged so that not only would it enhance the appearance of the building but might also aid in its heating. It was decided that Mr. Hamilton would contact Mr. Kreppner and ascertain how much he would be willing to pay on this cost and how much would be left for the Village to absorb; this information to be in the hands of Council not later than September 8th.

Tenders submitted as follows, for the supply of crushed stone for the Joymar Drive extension to Tannery Street, were now opened:

The matter of the fence at the Sewage Treatment Plant was now discussed and Councillor Parker was of the opinion that the ice going out of the river in the Spring would take the fence with it. At this point, Mr. Palmer informed Council that the Ontario Water Resources Commission had an insurance scheme to take care of this type of situation and he would be glad to prepare and submit a plan at a later date. It was decided to leave this matter in abeyance until a plan had been submitted and studied.

Mrs. Cottrell was now invited to address Council. Mrs. Cottrell had prepared a letter to Council to which she had attached a cheque in the amount of $2,000.00 to be applied against the cost of application for annexation of Blocks A. B. & D. She also outlined her plans re the proposed Golf Club and requested approval from Council to her proposal to submit to"Municipal Industrial Brochure Contest" a brochure on Streetsville which she had prepared. The regular Monthly Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present. The Village Solicitor Ward Allen was also in attendance.

The meeting was called to order at 8:10 P.M. and it was moved that the delegations be heard.

Mr. K. Timney, President of Ward Three Ratepayers' Association, who acted as spokesman for a group of residents on Joymar Drive now presented a petition to Council bearing the signatures of 69 residents of Joymar Drive. The petition gave notice to the Village Council that they were requesting a public hearing before the Municipal Board with respect to opening of Joymar Drive, as they questioned the legality of this action. After lengthy discussion, it was decided that a by-law would be drawn up limiting the speed to twenty-five (25) miles per hour, restricting the use of the road to trucks making deliveries or pick-ups in the immediate area only and providing for a penalty of $100.00 for each infraction thereto. Mr. Timney stated that he would confer with the parties he represented and ascertain if this by-law would be sufficient for their requirements. Mr. Ward Allen stated that he would be willing to meet with Mr. Timney or anyone else representing the Joymar residents in order to clarify this matter and, if such a meeting were deemed desirable, Mr. Timney would contact Mr. Allen and make the necessary arrangements.

The minutes of the meetings of August 18th, August 21st, August 25th and August 29th; and the Court of Revision of August 18th, were now read and adopted by motion.

The matter of the drainage on Joseph Street was now discussed and it was decided that Council would meet in a body on the site at 9:30 A.M. on Wednesday, Sept. 10th, and come to a decision as to the best method of remedying the situation.

Council adjourned at 9:20 P.M. in order to sit as a Court of Revision.

Council was again called to order at 9:45 P.M. and the matter of the sewer on Queen Street North was discussed and Council were advised a by-law to cover the construction of this sewer under The Local Improvements Act would be passed later in the evening.

The following correspondence was read:

1. Letter dated August 22nd, 1958, from The Ontario Department of Transport regarding speed limit restrictions within School zones.

    (d) Dolphin Development to erect one single family dwelling on Lots 70 and 71, Plan 529, Isherwood Court.

Council adjourned at 10:00 P.M. to enable the committees to prepare their reports.

Council was again called to order at 10:40 P.M. and the reports of the Roads Committee, Works Committee, Miscellaneous Committee, Police Committee and By-law Committee were now read and adopted by motion.

Councillor W.C. Arch now reported to Council that he had received calls from residents of Britannia Road concerning the large number of children who had to cross that road to get to Riverview Heights Public School without the protection of signs, cross walks or school guard, and it was decided that the Clerk would write a letter to the School Board to ascertain whether or not they intend to provide any protection on this road for the children going to Riverview Heights School.

The Clerk now reported to Council that he had received a call from Mr. W.L.A. Pope wanting to know if the Council intended to fence the right-of-way to the school property from Swanhurst Boulevard and it was decided that Mr. Pope should be advised that Council had no plans for fencing this property.

Moved by W. Arch Seconded by F.T. Smith
THAT we take up to $1,000.00 out of our capital reserve fund for the renovation and cleanup of the Presbyterian Cemetery as part of our Centennial Year preparations.

The Council now adjourned at 8:40 P.M.

REEVE

CLERK

STREETSVILLE, Ontario
September 22nd, 1958.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present, excepting Councillor Frank T. Smith.

The meeting was called to order at 8:15 P.M. and the minutes of the Court of Revision of September 8th, 1958 and of the Council Meetings of September 8th, September 11th and September 15th, 1958, were now read and adopted by motion.

It was now moved that deputation from the Public Utilities Commission consisting of Chairman V.C. Johnston and member H.V. Bray be heard. Mr. Johnston advised Council that the Village had now outgrown the present sub-station which had been jointly used with the Ontario Hydro who were the owners of same. A new sub-station costing $42,000.00 would have to be built and, on taking this matter up with the Ontario Hydro they recommended that the Public Utilities Commission build it on a bank loan as the Public Utilities Commission hydro department was in a good position financially. The Ontario Hydro suggested that the Public Utilities Commission borrow $35,000.00. Although Mr. Johnston felt that they could get by with only $20,000.00 however, to be on the safe side, they were asking Council to approve $35,000.00 for this borrowing which would be for three years at five percent. Mr. Johnston was advised the Council would approve this borrowing upon a written request from the Public Utilities Commission for same.

It was now moved that Mr. Davidson of the E.L. Ruddy Company be heard. Mr. Davidson read and presented to Council a letter from his firm dated September 22nd requesting the Village to pass a by-law to regulate and control the erection of advertising signs. Mr. Davidson presented to Council a draft copy of the proposed by-law which was turned over to Village Solicitor H. Ward Allen for his perusal.

It was now moved that Mr. Ken Timney, President of Ward 3 Ratepayers' Association, be heard. Mr. Timney advised Council that he was present regarding the violation of Zoning By-law Number 1202 with respect to two-family dwellings. Mr. Timney advised Council that the names of persons making a complaint to the Clerk's office had been divulged in the past, and therefore, future complaints were being handled through the executive of the Ratepayers' Association. In this respect, Mr. Timney advised Council that he had received a complaint with respect to 11 Alphonse Crescent and 8 Sora Drive and would appreciate receiving a report on the outcome of investigations in connection with these two dwellings.

It was now moved that Mr. King be heard. Mr. King was present with respect to his application for a building permit to reconstruct the rear of his premises at 5 Pearl Street. However, as there was not a plot plan available, Mr. King was advised that Council could not make a decision until such time as this plan was presented.

It was now moved that Mr. Wes. Durie be heard. Mr. Durie was present with respect to his application for the renovation of the store which was occupied by Western Tire and gutted by fire.

Solicitor Ward Allen's letter, dated September 22nd, respecting this application was read and, after considerable discussion, it was agreed that Mr. Durie would be granted a building permit on the condition that he make application to the Committee of Adjustment for approval of the variance with respect to the lot coverage.

The following correspondence was now read:-

1. Letter dated Sept. 18 from Mrs. J.M. Fingland re condition of the old cemetery on Queen Street South.
2. Letter dated Sept. 19 from Peel Memorial Hospital re their grant for capital expenditure for the current year.
3. Letter dated Sept. 3rd from County of Peel re balance of Queen Street road account.
4. Letter dated Sept. 17 from the Public Utilities Commission re invoice from Dundas Construction for repair to water-main within Shipp Subdivision.
5. Letter dated Sept. 11th from H. Ward Allen re Joymar Drive extension through Lots 2, 3 and 4, Plan 530.
6. Letter dated Sept. 8th from H. Ward Allen re Police Department.
7. Letter dated Sept. 12th from H. Bruce Galloway re Constable Rafuse.
8. Letter dated Sept. 16th, from H. Bruce Galloway re Constable Rafuse.
9. Letter dated Sept. 18th, from Dolphin Development Company re easement through Lots 92 and 93, Plan 529.
10. Letter dated Sept. 22nd, from H. Ward Allen re storm sewer easement between Lots 70 and 71, Plan 529.
11. Letter dated Sept. 15th, from Wm. Wright, 12 Mill St., requesting a sewer and watermain to his property.
12. Letter dated Sept. 11th from H. Ward Allen reproperty to be conveyted to the Village by the Brampton District High School Board.
13. Letter dated Sept. 17th, from the Committee of Adjustment re their submission Number 6 with respect to Lots 70 and 71, Plan 529.
14. Letter dated Sept. 22nd, from H. Ward Allen re Wes. Durie's application for repairs and alterations to Western Tire Store.
15. Letter dated Sept. 17th from H. Ward Allen re annexation.

Applications for building permits as follows:-

(a) #730 - K. Honsberger to erect a single family dwelling on Lot 8, Amity Road.
(b) #734 E.P. Long to erect single family dwelling on Lot 4, Plan 542, Theodore Drive.
(c) #735 E.P. Long to erect single family dwelling on Lot 3, Plan 542, Theodore Drive.
(d) #732 Mrs. King to remove part of the building at #5 Pearl Street and rebuild into a two-suite apartment building.
(e) #736 Stan. VanderMeulen to replace sun porch at #213 Queen Street South.
(f) #737 Stan. VanderMeulen to erect an open terrace at #31 Queen Street South.
(g) #738 Elder Packing Company to construct an addition to their warehouse, production and office building.
(h) #725 Wes. Durie to repair existing building on Part Lot 1, #204 Queen Street South.

The Council now adjourned at 10:40 P.M. to enable the Committees to prepare their reports.

The Council was called to order at 11:40 P.M. and it was moved that Council sit until the business was completed.

The report of the Works Committee was now read and adopted by Motion.

STREETSVILLE, Ontario
October 6th, 1958.

The regular monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:15 P.M. and the minutes of the meeting of September 22nd, 1958, were now read and adopted by motion.

It was now moved that Mr. Fulton of Lot 193, Riverview Heights be heard. Mr. Fulton advised Council that he was present along with Mr. Burns, the owner of Lot 194, to ascertain what could be done about the throughway between their properties leading to the Riverview Heights School. Mr. Fulton advised Council there was a stone path about 5' wide extending part way along this right-of-way which resulted in stones being scattered partly over their lawns by the school children going to and from school and also the children were cutting across their properties as a shortcut to the school and were ruining the new hedges which both property owners had planted recently. Mr. Fulton was advised that this matter would be taken up with the School Board.

It was now moved that Mr. James Beehoo be heard. Mr. Beehoo was present to request Council approval to the division of his property on Queen Street South into two lots; with the lot on which the old house is located having a 55' frontage and the property on which the new house is located having a frontage of 77'. Mr. Beehoo was advised that he would have to make application to the Committee of Adjustment for this approval.

It was now moved that Mr. H.J. Gurnell be heard. A letter dated October 6th from Mr. Gurnell requesting permission to alter his residence into an apartment or duplex building, using the ground floor for residential purposes, was now read. Mr. Gurnell was advised that only the Committee of Adjustment could grant this approval.

It was now moved that Mr. James Hammond be heard. Mr. Hammond was present to ascertain whether or not his application for a building permit was in order. Mr. Hammond's building permit application was checked and he was advised that it was in order.

The following correspondence was now read:-

CLERK

Streetsville, Ontario
November 6th, 1958.

A Special Meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 7:40 P.M. for the purpose of discussing the stop work order which had been placed on the building being constructed by Mr. Ronald Beehoo on Pt. E½ Lot 2, Con.V. WHS.

The Council moved into committee to discuss this stop work order and when they arose, it was

Moved by F.T. Smith Seconded by W. Arch

THAT a letter be written to Ronald Beehoo informing him that the "stop-work" order against his new building will be lifted as soon as the three non-bearing partitions on the second floor are removed and on the understanding that an application will be made immediately to amend the original application from "solid brick" to "concrete block" and that he sign an undertaking to not attempt to construct or use the second floor for residential purposes until such time as he receives proper authority to do so.

MOTION CARRIED.

The Council now adjourned at 8:15 P.M.

REEVE

CLERK

Streetsville, Ontario
November 17th, 1958.

The regular semi-monthly meeting of the Municipal Council was held this date in the Council Chambers with all members of the governing body present.

The meeting was called to order at 8:30 P.M. and it was moved that Mr. Hugh Lamb, who waited on Council, be heard.

Mr. Lamb advised Council that he had been in touch with his solicitor and he wanted to know on what authority the Village employees had entered on private property and had taken down a sign which he had erected, claiming that it did not conform with the Village by-laws. Mr. Lamb was advised that his application for the erection of the sign had been turned down by Council at their last meeting, because it did not conform with Zoning By-law Number 1202. The Village solicitor was now consulted in this matter and it was his recommendation to Council that, as the Village employees were in error in removing the sign, it therefore should be restored, as he could not find anything in the by-law whereby this sign was a contravention. It was therefore moved by Councillor F. Smith that, owing to Council being in error in interpreting the by-law, Council offer their apologies to Mr. Lamb and have the Village workmen restore the sign at once.

Mr. Lamb was also present respecting two applications for building permits which were before Council for their approval. The Council now reviewed these applications and it was decided that application number 772 for the erection of a storage shed could be approved but application number 771 to erect a garage could not be approved because it did not conform with set-back requirements of the Zoning by-law.

The Council now moved into committee to discuss the recent annexation hearing with Solicitor H. Ward Allen. The Committee arose at 9:30 P.M. and it was
Moved by F.T. Smith Seconded by W. Arch
THAT the solicitor be instructed to take such steps as he may deem necessary to oppose the application of Township of Toronto to annex the Village, including consultations with Village Engineer and Planning Consultants.
MOTION CARRIED.

Moved by W. Arch Seconded by F.T. Smith
THAT Derek Little be contacted with a view to his being retained as planning consultant to the Village.

It was now moved that Fire Chief K.R. Burns who waited on Council, be heard. Chief Burns advised Council that, on the odd occasion, the Fire Department had answered calls to properties within the Township of Trafalgar although there was no agreement between the Township of Trafalgar and the Village of Streetsville to reimburse the Village for this service. He pointed out that, although the Village did not have an agreement with the Township of Toronto, the circumstances were very much different because, if needed, the Township of Toronto Fire Department were subject to call in the event of a serious fire within the Village of Streetsville but not so in the case of the Township of Trafalgar. It was therefore decided that the Clerk would write the Township of Trafalgar requesting a meeting between representatives of both councils and both fire chiefs. Chief K.R. Burns now expressed his appreciation to Council for the co-operation which he had received from them during the past year.

Council now recessed at 9:15 P.M. to enable the committees to prepare their reports.

The Council was again called to order at 10:05 P.M. and the reports of the Works Committee, Roads Committee, Miscellaneous Committee and Finance Committee were now read and adopted by motion.

A Court of Revision was held on the above date in the Council Chambers with the following members present:-

Chairman: F. Dowling
Members: J.M. Adamson
W.C. Arch
F.T. Smith
George Parker

The Court was called to order at 8:15 P.M. to hear appeals against The Local Improvement Rolls for the sewers on Queen Street South, Brookside Drive and Britannia Road, and Joymar Drive; as well as other appeals against the Assessment Roll and Tax Collector's Roll.

An appeal made by Norman Denny against his building assessment on the 1958 November Additional Rolls was now heard. However, as County Assessor John Hooper was not present, it was decided that the Court would not make a decision until further evidence was produced and it was therefore
Moved by W. Arch Seconded by F.T. Smith
THAT decision be reserved on the Assessment appeal made by Norman Denny against Assessment Number 620 on the November Additional Roll.
MOTION CARRIED.

The Local Improvement Roll for the Joymar Drive Sewer was the next order of business and member J.M. Adamson now vacated his chair so that he could make representation on his own behalf to the Court.

Mr. J.M. Adamson, Mr. S. Cairney and Mr. Southwood now addressed the Court with respect to The Local Improvement Roll for the Joymar Drive sewer, and it was decided that no decision could be reached with respect to this roll until such time as it was ascertained whether or not the lot nowned by Mr. Adamson on the south-east corner of Joymar Drive and Britannia Road was serviced with a sewer lateral and it was therefore
Moved by George Parker Seconded by W. Arch
THAT decision be reserved on the Joymar Drive Local Improvement Sewer.
MOTION CARRIED.

The Local Improvement Roll for the Queen Street South sewer was the next order of business and, as no appeals had been received nor were there any property owners present to voice objections, it was
Moved by J.M. Adamson Seconded by George Parker
THAT the Queen Street South Local Improvement Roll be adopted.
MOTION CARRIED.

The Local Improvement Roll for the Brooksdie Drive Sewer was the next order of business and, as no appeals had been received nor were there any property owners present to voice objections, it was
Moved by J.M. Adamson Seconded by George Parker
THAT the Brookside Drive Sewer Local Improvement Roll be adopted.
MOTION CARRIED.

Taxes requiring to be written off was the next order of business and the following motions were passed:-
Moved by J.M. Adamson Seconded by George Parker
THAT the 1958 taxes in the amount of $64.83 as shown opposite Roll Number 496 in the name of Thelma Merritt be written off as an expropriation by-law was passed expropriating this property for Village Purposes.
MOTION CARRIED.

STREETSVILLE, Ontario,
December 29th, 1958.

A Special Meeting of the Municipal Council was held this date following the Court of Revision with all members of the governing body present.

The meeting was called to order at 10:30 P.M. and Council moved into committee to discuss amendments to the Zoning By-law.

The committee rose at 10:35 P.M. and a by-law to amend Zoning By-law Number 1202 as amended, was now given three readings and it was

Moved by J.M. Adamson Seconded by George Parker

THAT a by-law to amend By-law Number 1202 as amended, by by-laws 1247, 1262 and 1265, now having been given the necessary three readings be duly signed by the Village Reeve and Clerk, the Corporate Seal be affixed thereto, numbered 1295 and forwarded to The Ontario Municipal Board for their approval.

MOTION CARRIED.
